

Holiday Shopping: Best Toys For All Ages

Our Guide To This Holiday Season's Most Unique, Educational & Fun Toys For All Ages

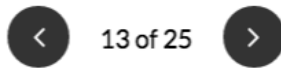

Santa may have already made his list and checked it twice, but have you? To help guide parents on their holiday shopping journey, we've taken the guessing out of gift-hunting by curating a list of the season's coolest toys for kids of all ages (newborn through tween) and interests. Prepare to be enchanted!

For Ages 3-5: Circus Magnetic Playset

This circus-themed set by Sevi (one of Europe's oldest wooden toy manufactures) includes 45 magnetic pieces with everything from different scenes to clowns, acrobats, and all kinds of circus animals. The set comes in an easy-to-carry box and can be easily stored on a bookshelf or packed into a backpack to go! \$30, bonjourpetit.com

(Coverage cont'd on next page)

For Ages 3-5: Worry Eaters - Saggo Large

The Saggo plush by Worry Eaters will give your youngster peace of mind and give parents a clue to what their child's is thinking or worrying about. This softie pal is cute enough to be taken to bed while its zippered mouth will chow down on "worries" written on a piece of paper by children. Kids can feed their worries away to this striped companion and forget all about their fears when they head to bed. \$22.99, haywiregroup.com
