Now you're cooking!

Give young sous chefs the right tools

Getting kids to help in the kitchen lets them develop an appreciation for cooking and making healthy food choices. Here are some tools to get your little chefs excited about the task.

■ The classic Easy-Bake Ultimate Oven by Hasbro never gets old, thanks to a variety of refill mixes (sold separately). **\$44.99** at Toys R Us.

■ The "Kids' Fun & Healthy Cookbook" by Nicola Graimes includes recipes that encourage smart eating choices. **\$17.99** at dk.com.

■ The Moulin Roty baking set has child-size tools, a bright apron and a vintage-style case. **\$84** at thecompanystore.com.
