

# Mystery Pack 9 Review (Whiffer Sniffers)

## EDITOR'S REVIEW

**What It Is** - If you want the chance to get Mikey Milkshake, then the Whiffer Sniffers Mystery Pack 9 might help you out. You'll either open up the blind packaging to reveal the chocolate milkshake-scented backpack clip or you'll find one of the other regular series 4 scented character backpack clips. It may also contain an ultra-rare golden bag Sniffer Mixer Bitsy B. Shakin.

The backpack clips are about 4.5 inches and can be clipped to a backpack, a belt loop, or wherever kids want to hang and display their Whiffer Sniffers collection. Each one is scented to match the character, and the series 4 characters are: Mikey Milkshake, Sour Saul, Izzy Sodalicious, Howie Rolls, Jay Bean, Sonny Shine, May B. Minty, Phil O'Jelly, and Maci Macaron.

**Is It Fun?** - Not knowing if Mikey Milkshake is really inside the Mystery Pack 9 will keep kids in suspense as they open up the package to see and smell which Whiffer Sniffer they're actually getting. Kids will like collecting and trading with friends to try and get all of the series 4 characters. But no matter how many or which characters kids get, they'll like displaying their collections on their backpacks and keeping their yummy-smelling friends with them for fun and play wherever they go.

**Who It's For** - The Whiffer Sniffers Mystery Pack 9 is for ages 3 and up. It will be fun for kids who like scented toys and small collectibles.

**What To Be Aware Of** - The Whiffer Sniffers Mystery Pack 8 gives kids the chance to collect the Maci Macaron backpack clip. It is sold separately.
